Jeanne -

Does ORD have a draft ready? I am happy to fold in OECA's response's to letter. Did you hear back from OCSPP on ORD comments to their response? Also, Sussman's office inquired about status.

Hi Pamela,

I just sent our draft responses to Fred today. He is out of the office, so would Monday work for you to receive our input?

Subject: Letter from the House Committee on Energy and Commerce

All -

I forwarded a copy of this letter yesterday and have added OCSP on the cc: list this morning. We need to turn this response around fairly quickly. This will be a joint EPA/Working Group response. The deadline on the letter requests response by June 28. However, we just received in the Agency on Tuesday, June 19th and we have a small amount of flexibility. ORD has taken the lead in crafting most of the responses, but we will need additional support from your offices. I ask that you please provide responses to me by noon on June 29th.

Douglas - Can OCSP take the lead in responding to questions 2a and 2b?

Caroline and Marna - Can your offices coordinate responses to questions 3 c and 3d?

Thanks everyone.
